i3BOARD 1003 T10 DUO

Compared to traditional whiteboards, the i3BOARD includes several unique features. Other than stylus and finger touch recognition, the precise and reliable V-Sense touch technology design allows multi-user interaction up to 10 simultaneous touches.

The ultra-narrow aluminium frame gives the i3BOARD a sleek appearance and makes maintenance easy, lowering the long term total cost of ownership.

INTERACTIVE

- Touch recognition: Finger, stylus or any other pen or finger shaped object
- High response speed
- i3Duo Surface: The optimized whiteboard surface with superior projection, writing & dry erasing capabilities

INSPIRING

- Wide screen 100 inch
- Up to 10 touch points
- Ultranarrow 24mm frame
- Platform independent, a perfect match for any education software

INTEGRATED

- Easy maintenance
- Standard wall-mount included
- Dust resistant V-Sense touch technology
- Lifetime warranty on ceramic steel surface
